

ENERGY SOLUTIONS

Stratus®

Optimize. Enhance. Control. Save.

Energy keeps your brand running every hour of every day. We will help you identify valuable opportunities to reduce energy demand and save on energy spend.

HOW WE HELP

✓ **Lighting Solutions**
Save on energy costs with LED retrofits and upgrades, incentive rebate research, and more.

✓ **Control Options**
Manage your energy footprint with simple, networked, or fully connected control solutions.

✓ **Lighting-As-A-Service (LaaS)**
LED-retrofit your facility and pay nothing out of pocket. The energy savings pay for the program.

✓ **Innovative Energy Solutions**
Long-term solutions including connectivity and IoT support to renewables and EV charging.

✓ **Electrical Solutions**
We manage every detail of your electrical and data rollout using nationwide, licensed support.

ABOUT STRATUS

Stratus is a national provider of exterior signage, refresh & rollouts, brand maintenance, energy, and interior branding solutions. Built from the combined 150-year legacy of MC Group and Icon, we are the leading branding implementation company in the U.S.A.

As a leading provider of energy management services, we will design an efficient, cost-effective solution for your needs. From lighting programs and multi-facility energy upgrades to control solutions, our expert team will help you better manage your energy usage for a positive ROI.
